# Continuing Medical Education “Earning Credits” Guidelines

## 9<sup>th</sup> Dubai Anaesthesia Conference & Exhibition

**Dear Participant,**

Dubai Anaesthesia 2016 aims to develop the knowledge platform for Anaesthesia professionals. Dubai Anaesthesia endeavours to provide quality Continuing Medical Education programs through hosting high caliber speakers and providing Credit Hours from a prestigious scientific organisation such as the Dubai Health Authority.

### **Credit Hours available at Dubai Anaesthesia 2016:**

Dubai Health Authority

**18 CPD CREDITS**

The credit hours can be collected by participants as per the guidelines below. Please note that it's imperative that you follow the guidelines below to ensure that you receive your credit hours in full.

### **Continuing Education Guidelines:**

1. Collect the “Credit Hours Verification Form” upon registration. In order to receive credit hours, this form has to be completed by recording the codes which will be announced at the end of each session.
2. Once you have collected/recorded the session codes, you have to visit the Dubai Anaesthesia website for verification. You will be required to enter the recorded session codes on the Dubai Anaesthesia website in order to receive the confirmation letter.

This service will be active from **15th March 2016**, instructions can be found at **[www.dubaianaesthesia.com](http://www.dubaianaesthesia.com)**.

3. Please note that on the last day of the conference you will be provided with a Certificate of Attendance only and the Certificate with Credit Hours can only be obtained upon completion and submission of the Credit Hours Verification Form through Dubai Anaesthesia website after the conference.

For further details and clarification, please approach the organiser's desk and registration counters during the conference days. Alternately, you may call **+971 4 3624717** or email **[registration@dubaianaesthesia.com](mailto:registration@dubaianaesthesia.com)** for any queries after the conference.
