Overview – On March 3-5, 2016, Dubai Anaesthesia was delighted to present the latest innovation and development in the fields of Anaesthesia, Intensive Care and Pain Management at the Mohammed Bin Rashid Academic Medical Center in Dubai Healthcare City.

The Conference featured a variety of experts who discussed the most updated developments in the field through a number of intensive scientific sessions that covered all related topics.

The 9th Dubai International Anaesthesia Conference & Exhibition has been instrumental in bringing together internationally acclaimed healthcare specialists and professionals from around the world.

Conference – A three-day comprehensive scientific program was delivered by a faculty of experts in Anaesthesia, Intensive Care and Pain Management. The Conference was an ideal platform for all worldwide practitioners to contribute their new ideas and experiences that can be utilised in clinical practice. Hosting more than 2,400 delegates and visitors from 55 countries around the world and more than 40 key opinion leaders who shared their expertise and best practices.

The Conference was accredited by **Dubai Health Authority** with **18 CPD Credits**

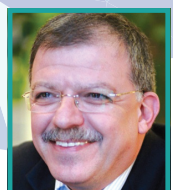

Highlights of the Conference

- Acute & Chronic Pain Management
- Anaesthesia in Special Cases
- Cardio
- History
- Obesity
- Obs-Gyne
- Pain Management Trends
- Pediatric
- Short Presentations

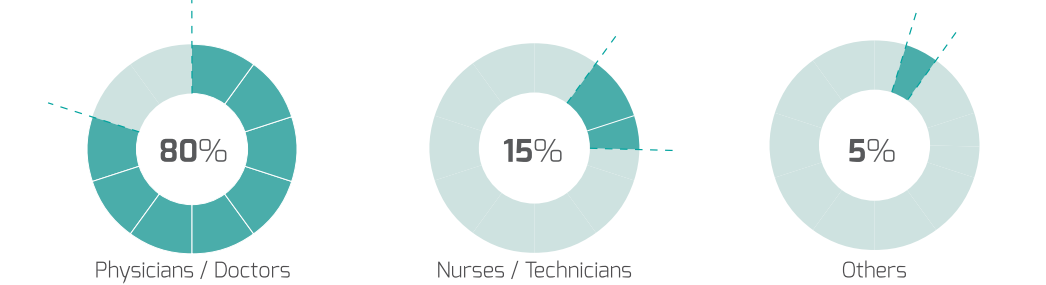

Short Presentations Dubai Anaesthesia 2016 for the first time welcomed abstracts in order for individuals to be able to share their novel researches.

These short presentations are intended to convey essential information and allow presenters to share their ideas in a brief period of time. The goal is to articulate different topics in a quick, insightful and clear manner providing attendees opportunity to gain a broader array of knowledge from the presentations given.

Keynote Speakers – Dubai Anaesthesia 2016 brought over 40 world class and distinguished academia from across the region and the world.

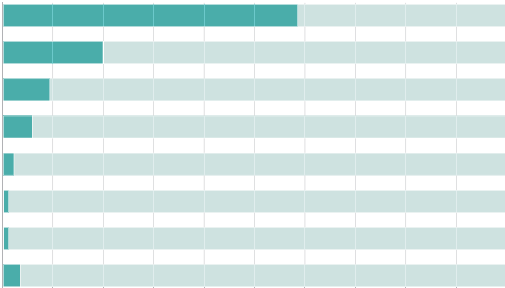

Delegate Profile

Exhibition - Dubai Anaesthesia exhibition over the past years has gained creditable recognition and support from international governing bodies. The exhibition area displayed proven and most recent technological advances in the field of Anaesthesia providing a golden opportunity for companies to participate in this event and network with over 60 Companies showcasing their up to date exhibits. Specialized exhibition showcased parallel to the conference and designed to provide buyers, dealers and key decision makers with an opportunity to have face to face interactions and enter into collaborations and partnerships.

Social Activities - Social gatherings provided an avenue for fun whilst networking to enhance mutual collaborations and share experiences; this was apparent when speakers & VIP guests of Dubai Anaesthesia 2016 gathered for a dinner in restaurant at Pier 7 in Dubai Marina on the evening of March 3rd.

A dinner was also hosted at the Dubai Creek Golf & Yacht Club on the evening of March 4th to express our gratitude to all the guest speakers who made a significant contribution to the success of Dubai Anaesthesia 2016.

Testimonials

“ This event is incredible, the venue first of all is just unbelievable and very conducive. The program is excellent with very high-caliber. Such an excellent organization in an excellent venue with excellent speakers that gave excellent information to the audience. ”

Dr. Nicola G. Volpe MD, DA(UK), FRCA
Consultant in Anaesthesia and Intensive Care Medicine
Southmead Hospital, Bristol, United Kingdom

“ The event was very well organized with lots of very distinguished speakers. A very good job, collecting speakers with diverse interests from all over the world and this definitely enrich the scientific standards of the of the conference and help in exchanging knowledge and expertise among the speakers and the delegates. ”

Dr. Mohamed Samy Abdel Raheem, MD, DA (UK), FRCA
Consultant Anaesthetist
Corniche Hospital, Abu Dhabi, UAE

“ We are participating in Dubai Anaesthesia every year, because it is one of the most important conferences for Anesthesiology in the region. The event is improving every year and we have many doctors coming from the Middle East and Europe. It's important to meet this doctors to see what is the latest in the anaesthesia field. ”

Engr. Mohammed Samir
Business Unit Manager
Al Hayat Pharmaceuticals Company, Dubai, UAE

“ Dubai Anaesthesia is very impressive, I like the expertise of the doctors and the discussions obviously the surroundings are impressive. I'm very happy its very well organized. I wish it was everywhere like Dubai Anaesthesia. ”

Dr. Guido Van Der Reijden
Account Manager
